ADOPT A FAMILY THIS HOLIDAY SEASON!

Thanks to the incredible generosity of THC supporters, we only have 32 (out of 79) families still needing to be adopted! In this season of giving, we hope that you will consider donating to THC families. Your donations help parents provide both necessary and fun gifts for their children, and allow families to have a joyful, special holiday.

There are various ways you can give to THC this holiday season:

(1) Adopt a Family!

THC will provide you with information on one of our families, including items requested by the family.

(2) Donate items to THC and we will distribute gifts to our families.

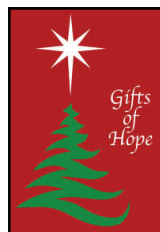

The main categories for donations are:

- (a) Home furnishings (pots and pans, cups, plates, kitchen, bedroom and bathroom linens, etc.)
- (b) Books, toys and educational items for babies, toddlers, and youth
- (c) Items for mothers and babies (blankets, bottles, diapers, etc.)

(3) Make a monetary contribution to THC

(4) Donate to THC through Gifts of Hope

Gifts of Hope is an alternative gift program that allows you to purchase a specific gift for a family in need or an organization. For example, you can purchase 1 months supply of books for THC's Reading Club, or make a donation that allows a THC youth to participate in 1 month of THC's wellness program. Click on the Gifts of Hope icon below to learn more or visit www.giftsofhopemetrodcd.org/.

Please contact THC for more information. Thank You and Happy Holidays!

THE 2009 FANNIE MAE HELP THE HOMELESS WALKATHON WAS A HUGE SUCCESS!

THC thanks all our 2009 Walkers and Supporters!

Look for 2009 Walkathon photos and an event summary in the next Transitions E-Newsletter!
