THC Launches Time for Tots Program!

THC launched "Time for Tots" in October as part of our Family Services Program. Time for Tots is THC's newest Child Development Program. It is a time specifically designated to engage the youngest population residing at THC. Time for Tots will provide enrichment activities to enhance and develop the mobility, cognition, and verbal skills of children ages 0-2 years. Volunteers are needed to assist with Time for Tots programming. If you like to work with little kids, this is the volunteer program for you! Time for Tots will run the 2nd, 3rd, and 4th week of every month on Tuesday, Wednesday, and Thursday evenings. To volunteer with Time for Tots, or with any of THC's Family and Youth Programs, please contact [Brittany Perkins](#).
